You Would like to Earn \$150 Nert Week, Wouldn't You?

And the loss isn't wholly a money loss. It is more serious than that, though money is the standard by which success is measured to-day. Therefore, if we are not getting the crisp, clean, yellow backs that we know we deserve there is something wrong—and it is probably with OLR-SELVES.

The GREAT I OSS is the loss to

Income tax reports indicate that there are two million persons in the country earning between \$1,000 and \$2,000 a year. At an average of \$1,500 the total earnings would be \$3,000,000,000. Psychologists tell us that the average man uses only one-sixth of his ability. If that is true the yearly loss is the tremendous sum of \$15,000,000,000.—one-half the national delta.

We can't all be Schwabs, but we can all be a great deal bigger than we are if we will break the chains that fetter us. WILL you do it?

If you WILL you CAN. The Business Budders will help you. That is our BUSINESS. We are under contract with three corporations to finance their expansion and to find and train 185 more men during this year for positions paying from \$5,000 to \$15,000 a year. During the pist year we have promoted 65 men to sales and business executive positions pay-

Ninety per cent, of our men had never sold anything before they were trained under The Business Builders' plan and our producers are earning right here in New York from \$100 to \$500 a week in commissions. There is no "scheme," no "secret" to the Business Builders—it is simply our business to develop men, for if you fall we fall in OUR business, and if you make good we make good.

Our work is under the personal direction of James W. Elliott, writer of "Man Messages," Our organizations occupy four floors at 620 Fifth Avenue, devoted axclusively to our sales forces, and on floor on Forty-sixth Street for our Advertising Department.

You aren't satisfied with your earnings, that's why you are reading this advertisement. Act on your impulse to better yourself. You owe it to yourself, to your family and to the nation to use all the ability you have in you.
